If I'm deciphering the text right, the instruments are from Flight
Illusions.

Amazing job. The panel and the stick are beautiful. What's he using to
drive the instruments though? I don't recognise the PCB.

I'd agree, they look like Flight Illusions..
I've seen a full Kingair setup of their gauges. Quite nice, but too
pricy for this kid!

I just finished the blog about ARINC-410 the last article has been
rewritten and I will have a Open Office document in the near future for
any one that might be interested in seeing it.

so here they all are....
http://phoenixcomm.wordpress.com/projects/radiointercom-syst em/
http://phoenixcomm.wordpress.com/projects/airinc-410/
http://phoenixcomm.wordpress.com/projects/radiointercom-syst em/g-4390/
http://phoenixcomm.wordpress.com/2012/02/21/arinc-410interfa ce/
http://phoenixcomm.wordpress.com/2012/03/02/arinc-410-subsys tem/
http://phoenixcomm.wordpress.com/2012/03/04/arinc-410-subsys tem-audio-routing/
http://phoenixcomm.wordpress.com/2012/03/06/arinc-410-radio-
subsystem-putting-it-all-together/

enjoy
